

# Grants for Great Ideas Program

## Eligible Applicants

Individuals or teams involved in student instruction. This includes both certified teachers and paraprofessionals.

## Eligible Grant Request

- Grant Projects which fund innovative or creative approaches (materials, activities, programs, etc.) supporting higher levels of student academic achievement and the accomplishment of District/Campus goals.
- Grant Requests that address a new project or initiative, as opposed to one currently underway.
- Grant Projects must be scheduled to begin during the upcoming academic year.
- Grant Projects which cannot be funded by District or State funds.

## Grant Award Levels

- **Helmerich Payne STEM Grants: 2 (\$3,000) awards**

*Eligible to apply: Middle or High School Campus*

This grant must focus on science, technology, and/or engineering in order to empower students with the knowledge, technology, and skills necessary for a better future.

- **Individual Awards up to \$1000**
- **Grade-level/Pod/or Team Awards up to \$2500**
